**CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE (CDFW), FISHERIES  
RESTORATION GRANT PROGRAM (FRGP), 2019 PROPOSAL SOLICITATION  
NOTICE (PSN) WORKSHOPS**

This year's Proposal Solicitation Notice is available on our web page at <http://www.dfg.ca.gov/fish/Administration/Grants/FRGP/Solicitation.asp>. There are important updates in the 2019 PSN. You will need to download the 2019 Solicitation as a reference document to assure compliance with the Department of Fish and Wildlife's proposal requirements.

This year applicants must submit their proposals using the online application process available at [watershedgrants.wildlife.ca.gov](http://watershedgrants.wildlife.ca.gov) which will be available starting March 5, 2019 at 9 AM. Submittal deadline is April 16, 2019, 3:00 PM.

The CDFW will again be holding PSN workshops to assist applicants in understanding the requirements of the PSN. It is to the benefit of the applicant to attend one of these workshops even if the applicant has submitted proposals in the past. Please attend one of the workshops listed below for information on changes to the PSN.

In recognition of the need to respond to questions and to help guide the preparation for sound restoration proposals, the Department has scheduled multiple workshops for your assistance. This year CDFW is adding two webinar workshops. All workshops are the same and anyone can attend any workshop. Locations, times, and contacts for workshops are listed on the next page.
